

## HVAC Technician | Sydney

Form1 Air, a division of Form1 is an industry leading provider of air conditioning service, maintenance and installation services with a reputation for delivering quality solutions to our clients.

Form1 has a strong culture and employees are well supported by the Company. Enjoy the benefits of working with a highly experienced team that will train you in all aspects of the air conditioning industry.

### **About the role:**

Form1 Air is seeking a highly skilled and qualified HVAC & Refrigeration Service Technician to join our Sydney division. Reporting to the Service Supervisor, you will be part of an enthusiastic team that is responsible for major installations, preventative routine maintenance, fault finding and service work on large commercial systems.

Your daily duties will include

- Installation of a variety of commercial air conditioning systems including VRV/ VRF Systems
- Diagnosing problems, performing electrical work of air conditioning systems
- Establishing and maintaining relationships with clients and the internal team
- Prioritise jobs and meet deadlines with minimal supervision
- Maintain industry knowledge and keeping updated with changes in air conditioning systems and technology
- Use the mobile technology (SimPro) provided to complete jobs, timesheets and invoicing
- Attending call outs as per rostered requirements

### **Essential Criteria:**

- Refrigerant Handling Licence
- Commitment to the highest work standards
- Reliability, dedication and a willingness to learn
- Excellent written and communication skills
- Ability to work autonomously as well as part of a team
- Workcover Induction Card and a strong focus on safety
- Current drivers' licence
- Experience with central plants, VRV systems, BMCS and general air-cooled systems desirable
- Proven experience within the building services industry specifically in commercial and industrial locations

Your willingness to learn new skills and technology combined with your impeccable customer service skills will set you apart from other applicants

**What we will provide:**

- Fully maintained company vehicle, Fuel Card and Phone
- Ongoing comprehensive training and career development opportunities
- 40 hour working week with RDO and an industry competitive salary
- Opportunity to work overtime, and participate in a call out roster after suitable training has been provided
- A variety of other attractive benefits are included and will be discussed at the interview

If you're a motivated and technically switched on individual who is able to demonstrate the above criteria, email your resume and cover letter confidentially to [hr@form1.com.au](mailto:hr@form1.com.au)
